

Founders' Museum (Thunder Bay) Inc

2011 Membership Form

Dear Friends of Founders' Museum:

The purchase of Memberships and donations are one way of showing your support of Founders' Museum & Pioneer Village and ensuring the continued growth and development of the site and programs that we have to offer our community and surrounding areas.

We have the site, we have the artifacts, we have the displays and we are gaining the reputation of being the fastest growing historical attraction in Northwestern Ontario.

We are now asking for your support by purchasing a membership or making a donation to the Organization to ensure the continued growth and success we have been experiencing. Help keep our Founders' Fred Goodfellow's dream alive by supporting the preservation of our pioneer history for generations to come.

Why Become A Member?

Members are entitled to vote at the Annual General Meeting of the Organization, and have a voice regarding the continued success of the organization. Also members can enjoy unlimited visits to the site while open at no charge as many times as you can come out and see what is new and what displays have been changed.

New to 2011 Season Members are entitled to a 20% Reduction off Regular Priced Hall Rentals!

Interested in becoming a Volunteer?

Select the check box below and the Volunteer Application / Information Sheet will be sent to you to ensure that we capture the correct details for our database of dedicated volunteers. Without volunteer support, Founders' Museum would not be where it is today.
