# FOUNDERS' MUSEUM & PIONEER VILLAGE

**"Come Touch History"**

We welcome you to Founders' Museum & Pioneer Village...

### **“A TRUE HIDDEN GEM”**

It all started with the dream of a local school teacher, the late Fred Goodfellow, who was determined to **preserve our region's rich colourful heritage.**

Over many years, he assembled an astonishing array of various artifacts, numbering into the tens of thousands; from a 12 ton steam engine to china, from vintage clothing to musical instruments and everything in between in our recreated Pioneer Village.

**Fred's dream is now a reality!  
The early 1900's community known as  
“Founders' Museum & Pioneer Village”.**

Artifacts and memorabilia are displayed in various buildings around the site (some NOT heated)

*(please call ahead for availability of guided tours)*

Visit an original one room school house and relive the fun of shopping in an old fashioned General Store. See where the Cobbler, the Blacksmith and other trades people practice their crafts!

Tour the Pioneer Home, wave to the departing train at the Train Station, browse in the Library, visit the Church for a quiet moment and many other buildings and areas that you'll find fascinating and fun!

Bring out the entire family to experience all that we have to offer; from our beautiful site, various buildings, and the vast collection of **artifacts displayed Fred's way:  
“Hands On” - we invite you to...**

**“Come Touch History”**

We have various picnic tables available around the site for guest use and also a covered pavilion should it rain.
